WELCOME TO SHELBY PUBLIC SCHOOLS

ABOUT OUR COMMUNITY

Shelby, located at the crossroads of Interstate 15 and US Hwy 2, is a vibrant town on the "Montana Hi-Line". We boast a uniquely picturesque Main Street with several blocks of locally owned businesses offering gifts, area art, clothing, quilting fabric, and jewelry. Multiple restaurants, shops and a movie theatre round out this northern city. With Glacier National Park (80 miles), Great Falls (84 miles) and Lethbridge, Alberta (100 miles) we are conveniently located for cultural experiences and outdoor beauty. Our community offers a variety of outdoor activities including nearby watersports (Tiber Dam and Lake Francis), fishing, hunting, a city trail system, and one of Montana's premier public golf courses, Marias Valley Country Club.

Overview

Shelby Public Schools, founded in 1898, is a K-12 rural school district, in Shelby, Montana. We serve 435 students, with 41 highly qualified teachers.

We have an engaged community with strong partnerships and a focus on meeting the needs of each and every student that comes through our doors. Shelby Public School District graduated 90% of our students in 2016.

Education

Shelby students participate in a challenging, preparatory curriculum, from kindergarten up through twelfth grade. Our size allows us to present our students with numerous opportunities while also offering the individual attention students need to be successful.

The use of advanced technology tools in the classrooms, like SmartBoards and one to one Chromebooks, has made Shelby a frontrunner in preparing students for the 21st Century. Additionally, we offer dual credit and A.P. courses to further challenge our students.

Our staff encourages critical thinking, practical application, and an appreciation for the arts.

This well-balanced, in-depth approach to education ensures every student gains the tools necessary to be successful when they leave our hallways.

Extra-Curricular Offerings

Rated as one of the top high school gymnasiums in the state of Montana, Shelby regularly hosts district & divisional basketball & volleyball tournaments that bring people from around the state to our community.

Shelby School District offers a variety of extracurricular & after-school opportunities to our students.
