Parent Right to Know Information

August 2018

Dear Parent(s)/Legal Guardian(s):

Shelby Public School District receives Federal Title I funds to assist students in meeting state achievement standards. This letter lets you know your right to request information about the qualifications of the classroom staff working with your child.

At Shelby School District, we are proud of our teachers and we feel they are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet OPI requirements.

If you have any questions about your child's teacher or paraprofessional, please contact us.

Expect the Best!

Elliott Crump, Superintendent
Shelby Public School District
