### **DISCUSSION ITEMS**

#### Junior High Athletic Director

Mr. Crump suggested to the Board that this position is offered to the current Athletic Director and if that individual does not want the position we will do an interview. He said currently there are 3 applicants for this position. He said the reasoning is if we add another person now Admin will need to communicate with an additional person when organizing events. The Superintendent told the Board that right now Amber Sanchez is the assistant to the Athletic Director and she also gathers all facility use forms and events and enters them on the calendar so they will not overlap.

#### Keycard Entry System and Camera Installation Update

Mr. Crump reported that we received the cards and the cafeteria staff have their cards activated.

Impact Testing

The testing already had a positive impact and the 9<sup>th</sup>-10<sup>th</sup> graders have been tested and more testing will be done next week.

Correspondence

A letter of interest was received from Elda Nichols.
