

Home 'N School
Improved Education through Home
Involvement

September 30, 2014

Dear Shelby Community Members,

Home 'N School is an organization for parents and teachers of children kindergarten through sixth grade. The objective of the group is to actively involve parents in the educational process

Over the years, Home 'N School has raised money to help support and buy needed items for Shelby Elementary. We have bought chairs, tables, digital cameras and many more items for the school and classrooms. We also organize fun family events that your children love including the fall festival, summer matinees, spring carnival, Santa Store, I Love to Read Night, book fair, and Bingo Night.

In order to fund these projects, we hold a few fundraisers each year. The community calendar is the first fundraiser of the year. With your purchase of a calendar for \$10.00, you get four free calendar entries (for example, three birthdays and one anniversary). Each additional entry is \$1.00. Each calendar includes a group photo of the Shelby Elementary School students. Again this year, each month will be sponsored by a local business. All birthdays or anniversaries from that particular calendar month will automatically be entered to win a \$20.00 gift certificate from that business. Please include a phone number on the order form so Home 'n School can contact you if you win!

Please fill out the attached order form and return with payment to Sanna Clark at Fieldstone Office Supply or the Shelby Elementary School office by October 15th.

Thank you for your continued support of Home 'N School.
